Vaijnath Group

Rooted in Sanatana Dharma. Inspired by Mahadeva Shankara.

Since 1995, Vaijnath Infra has been shaping the skylines of Gujarat with trust, quality, and excellence. With over 125 residential and commercial projects across Halvad, Dhangadhra, Surendranagar, Mundra and Ahmedabad we have fulfilled the dreams of 30,000+ families.

What began as a family-owned company built on honesty, transparency, and perfection has today grown into one of Gujarat's most respected real estate developers.

At Vaijnath Infra, we believe that nothing is so perfect that it cannot be improved. Boundaries exist to be surpassed, heights to be conquered, and benchmarks to be bettered. This spirit is the foundation of every endeavor we undertake—making every project a symbol of faith, progress, and legacy.
